Title: COLUMNA'S DIARY

Author:

I have made the most
wonderful discovery about
the Comb that I took
from that empty-headed
ruler of Fawn! No longer
shall I be forced to
content myself with the
bumbling attentions of
Melino, my pitiful excuse
for a husband! For upon
using the Comb on
myself, I have become
beautiful and desirable! No
one will ever guess now
that Mosh and I are
twins! Now I may use my
wits for better things...
like the Adept Torrissio!

Columna
